Dee and Tom,

This is to reserve time on your calendars for the SFIREG Joint Working Committee Neonicotinoid Treated Seed White Paper session. SFIREG will be discussing their paper and gathering feedback from states at this session, no items are requested from EPA at this time, though SFIREG thinks it's helpful to have SMEs listen in.

The session begins at 3:00 and goes to 4:00 PM; however, this meeting invite starts at 2:40 PM in case the meeting runs ahead of time, and you are available. Please feel free to forward to any you think would like to listen in.

The final agenda for the meeting can be found here: <https://aapco.files.wordpress.com/2021/04/pom.eqj-april-2021-draft-agenda-4.7.2021v2.pdf>

Best,
Sandra
